# VARSHA K S

*AI & Data Science Undergraduate |ServiceNow Certified Application Developer*

varsha.ks.contact@gmail.com | 7012482911 | LinkedIn | GitHub | Palakkad, Kerala

## SUMMARY

AI & Data Science undergraduate and ServiceNow Certified Application Developer (CAD) with a strong foundation in ServiceNow application development, IT Service Management, Flow Designer, Automated Test Framework (ATF), reporting, and AI technologies. Proficient in Java, Python, SQL, machine learning, and full-stack development, with hands-on experience gained through internships and technical projects. Focused on building scalable applications, workflow automation, and AI-driven solutions while applying strong problem-solving and analytical skills.

## CERTIFICATIONS

- ServiceNow Certified Application Developer (CAD) - ServiceNow
- IBM SkillsBuild Introduction to Generative AI
- Generative AI Mastery Workshop by NXT WAVE and OpenAI Academy
- Mongo DB Basics For Students by MongoDB

## SKILLS

**ServiceNow:** Application Development | Tables & Fields | IT Service Management | Business Rules | Client Scripts | Reporting | Dashboards | UI Policies | ACL | Flow Designer | Notifications | Automated Test Framework | Reporting | ServiceNow AI platform

**Programming:** Java | Python | SQL

**AI/ML:** Machine Learning | Deep Learning | Generative AI | NLP | Predictive Modelling | AI application Development

**Data and Analytics:** Data Analysis | EDA | Statistical Analysis | Data Visualization

**Libraries & Frameworks:** Pandas | PyTorch | Numpy | Scikit-Learn | Streamlit | Ploty | OpenCV

**Web/Application Development:** MERN Stack | REST APIs | Database Integration

**Tools & Platforms:** Git | GitHub | Jupyter Notebook | VS code | Google Colab

## PROJECTS

**Medical Diagnosis Center- ServiceNow Service Portal | ServiceNow**

**Technologies Used:** ServiceNow, Service Portal, JavaScript, Catalog Items, Reports, Dashboards, Business Rules, Background Scripts, UI pages, UI Policies, Notifications, ACLs

- Developed a ServiceNow-based diagnostic management system for patient registration, appointment booking, and medical records.
- Automated workflows, notifications, and role-based access control for secure appointment tracking.
- Built a Service Portal for patients to submit requests and track appointment status.

**SmartIT - AI-Assisted IT Incident Management| ServiceNow**

**Technologies Used:** ServiceNow, JavaScript, Flow Designer, Business Rules, ACLs, UI Policies, Client Scripts, Notifications, Reports & Dashboards.

- Developed an AI-assisted incident management system with automated incident classification, priority recommendation, assignment routing, and SLA tracking.
- Configured Business Rules, Flow Designer, ACLs, UI Policies, Notifications, and reporting dashboards.
- Implemented rule-based AI-assisted recommendations for incident category, priority, and assignment group.

**Data-Driven HIV Spread Forecasting Tool**

**Technologies Used:** Python, Streamlit, Pandas, NumPy, Scikit-learn, Plotly, Machine Learning

- Built ML models using Scikit-Learn for outbreak risk prediction.
- Performed EDA and feature engineering on healthcare datasets.
- Developed an interactive Streamlit dashboard for forecasting and visualization.

## PROFESSIONAL EXPERIENCE

**AI & Machine Learning Intern,** *CodeBind Technologies* 03/2024 – 03/2024 | Coimbatore, Tamil Nadu

- Completed internship in Artificial Intelligence & Machine Learning at CodeBind Technologies.
- Worked on machine learning fundamentals, data analysis, and AI-based problem-solving techniques.

**AI and Python Intern,** *KITES Softwares Pvt Ltd* 06/2025 – 07/2025 | Kochi, Kerala

- Completed internship in AI Fundamentals with Python.
- Worked on basic AI and Python programming concepts.

**Full-Stack (MERN) Developer Intern** 11/2024 – 02/2025 | Coimbatore, Tamil Nadu

*Maiyyam Knowledge and Careers Pvt Ltd*

- Developed responsive web applications using MERN stack.
- Integrated frontend with backend APIs and databases.
- Gained hands-on experience in full-stack development.

## EDUCATION

**Dhanalakshmi Srinivasan College of Engineering,** *B Tech in Artificial Intelligence and Data Science* 2023 – 2027

CGPA : 8.65
